SECTION B:

2. Not exceeding 100 words, and not less than 70 words, transcribe your experience in Kisii University since you were admitted (20 marks)

3. Transcribe this passage in Braille grade 1

In Kenya today, more universities are offering Special Needs Education. This is giving us hope that, sooner than later, Kenya will have enough teachers to handle learners with special needs. In the past, only a few universities offered degrees and diplomas in special needs education. Let's hope that all shall be well soon. (20 marks)

4. Transcribe the following passage in Braille grade 1.

Who was Louis Braille? This was a French Educationist. At the age of three, he wounded his right eye with a cobbler's tool while playing in his father's workshop. No medical knowledge could save his eyesight at that time. Louis's left eye became inflamed, apparently due to subsequent sympathetic ophthalmia, and he eventually lost the sight in that eye. He invented the tactile system we use today, known as Braille. (20 Marks)

BLANK BRAILLE CELLS. STUDENT REG.
